Return Instructions for Order 361208414
Valid Until October 31, 2026

Print ☐	Print these instructions. If you don't own a printer, please see our Help page.	
Verify ☐	Using the list on the last page, verify that each part number, quantity and reason for return is correct. If this list is incorrect, please use our Order Status page to adjust the return and obtain new instructions. STOP **Returning anything other than what is on the list may result in additional charges, or may cause the item to be lost.**	
Pack ☐	Put the parts, manufacturer's packaging, and the list on the last page, in a shipping box. Pack the items carefully to avoid damage in transit. **Returns will not be accepted if the part, or the manufacturer's box, is missing or damaged while in transit to our warehouse.**	
Ship ☐	Attach the pre-paid return label below to the outside of the shipping box. Remove or cover any existing labels on the shipping box. Take the package to the carrier specified on the label. STOP **Returning parts to a different address will result in additional charges, or may cause the item to be lost.** The label does not include sending the carrier to pick up a package.	
Wait ☐	We will issue your refund within 3 business days after the package arrives at our warehouse. We will email you as soon as the refund has been issued.
